Objet / Subject: Thank you

Thank you for your participation following the engagement sessions on English Prime and French Language Learning.

Your assistance in supporting the departmental team on this important initiative is much appreciated. Thank you for helping us to determine guiding principles upon reviewing near-term recommendations in preparation of sharing with myself and the Minister.

Since our last communication, a short survey has been developed and shared with families and educators. I would encourage you to fill out the survey, which should only take a few minutes of your time. Your responses will remain confidential and will be used solely for the purposes of this review.

Going forward, I encourage your continued participation in an advisory capacity, as we study further longer-term possibilities. Please complete this [short survey](#) on or before June 27.

Thanks to all of you for your valuable contributions as part of this engagement.

Sincerely,

Ryan Donaghy
Deputy Minister
